4/9/19 TABC Storms their way to victory

The cobras came out strong only manning 6 players to start the game fending off the storm in the first quarter holding them to just two goals. By half time it was a close 3-0 game. In the second half the storm turned it into high gear and cranked in 4 more goals to finish off the cobras with a mercy. Gulich and Rifkind led the team with two goals each and stellar goaltending by Kahan helped the storm defeat the cobras 7-0.

Interview with Matthew Ganchrow:

What was it like to get on the floor?

It was actually crazy. Like I never thought I was going to play, and when it came, it was just unreal. Seeing all my teammates and friends from Frisch there to watch was amazing. The hype is definitely real. That 3 point line is really far away.

Did u know that you were gonna play that day?

Every single game I come prepared because maybe coach will call my name. I had a dream the night before, that this may be that day. (Shoutout to fellow manager, Chicka, for bringing his brothers jersey)

Be honest, did you think it was gonna go in?

YES! I trust my form and right when it went out of my hands, i knew the result. Shoutout to my trainer Adanajiah Cross for giving me the confidence to shoot.

What was your celebration/who inspired it?

I kinda just made it up on spot. I turned to my friends in stands and pumped my chest and then I put up three fingers before being mobbed by my teammates. It's my celebration on my my player for 2k12 and it's a gift from G-d that I finally got to do it in real life.

Who inspired you to hit the shot?

Actually my brother who surprisingly was also manager his senior year, and he got into a Sarachek game and went 0-3. So, ever since that day I've been working to finish off what he couldn't.

What did the players on your team say to you after the game?

We just had a great time after. We have the best team. Our coaches are amazing and even though I don't actually play we're all one team.

What would you tell to all the managers waiting for there turn behind the scorers table?

Never give up. Nothing is impossible. Coordination is overrated. Matthew out.

Rams bats had no Answers as the Storm keep winning

by Oren Glickman

Storm Baseball is heading into the Pesach break 3-0 after cruising to a 12-0 blowout over the Ramaz Rams. The game started more than 30 minutes late due to a malfunction with the field lights, but just as the teams were readying to head home, there was light- and then there was ball. The Storm took an early lead out the gate after a two run RBI single from Sammy Greenberg '19. Then in the top of the 2nd, Aharon Weiden '19 belted a solo homer out of the park to give the Storm a three run cushion.

All night, the Rams bats had no answers to the Storm's star ace Yechiel Keiser '19. In the bottom of the 4th inning, with bases loaded and 2 outs, Keiser struck out the side. And in the following top half of the inning, the Rams were left to rue their chance. Keiser punished them once again, this time hitting a bases clearing RBI double, putting the game to bed. The Storm proceeded to add another six runs, and due to the mercy rule, the game wrapped up after only five innings. Keiser finished the night pitching four scoreless innings and gave up only three hits, fanning 10 batters.

Extra Inning Thriller

by Haddar Kaplun

4/16/19

This past Monday Heschel baseball faced off against JEC, and came away with the 5-4 victory in extra innings. Looking to keep Heschel undefeated, Benji Weinstein started, and was great on the mound. He ended the night going 7.1 innings, while racking up 15 strikeouts.

Heschel took the early lead in the first inning. Things began to go JEC's way in the 6th when they tied it 3-3. They then hit a bloop single to left to go up 4-3.

In the home half, Heschel wouldn't give up, as freshmen Yossi Feldman tied the game with an RBI bunt, a beauty down the third base line.

In the top of the 8th, Benji departed the game after striking out and walking a hitter. Haddar Kaplun then came in to relieve and retired the 2 hitters he faced. Finally, in the bottom of the 8th, after Ellis Paull reached on a strike out and swiped two bases, Gil Sondheimer hit a line drive to left to give Heschel the walk off win.

Heschel Squeezes By MDY

Heschel played Magen David Wednesday where Heschel emerged victorious. The two had played once before in Magen’s gym, and MDY beat the Heat. This time around, Heschel on their own turf, appeared much more physical in order to combat MDY’s size advantage. It was an all around battle and there were times when the game looked as though it could end in anyone’s favor. All in all, in a revenge game for Heschel, they defeated the Warriors 5-4.

Battle of the first year programs

by - Yitz Taragin

In the battle of first year programs, JEC mercy ruled DRS, 11-0 in five innings, in a humid and muddy game in Elizabeth, NJ. Both teams had trouble getting hits as JEC had seven and DRS one, which was an infield hit. Six of JEC’s runs resulted from eight walks and nine stolen bases during the big inning in the bottom of the third.

Yehuda Pinsker started for JEC and went four innings pitching one hit ball with four walks and three strikeouts on 63 pitches and Hillel Glick finished the game with a walk and three strikeouts on 21 pitches. DRS started Shimmie Kirsch who gave up nine of the 11 runs with seven hits, eight earned runs, six walks, and two strikeouts on 115 pitches. Daniel Watman had the only DRS hit as he went 1-1 with a walk, as Aharon Heller led JEC going 2-3 with a run scored and two RBI.

DRS’s next game will come after the Pesach break, home against HAFTR and JEC will play Tuesday night verses Heschel as their last game before the Pesach break.
